ANNOUNCEMENTS

COURSES—ADDITIONAL INTERDEPARTMENTAL MAJORS

(Of immediate concern to the Junior Class.)

Since the printing of the catalogue for 1936-37 the faculty has approved plans for new interdepartmental majors in the following subjects:

Bio-Sociology

Classical Civilization (with emphasis upon Art and Archaeology or upon one of the following periods: Fifth Century Athens, The Last Century of the Roman Republic, The Augustan Age, The Roman Empire.)

International Affairs

Physical Mathematics

Political Economy

The "Quadrivium"

Religion and Social Problems

Religion and Social Theory

The Renaissance.

For each of these majors there is a group of required courses and another group of electives. Each major includes at least 36 hours in addition to courses taken to meet the general requirements for the degree, but the total number of hours to be taken within the field varies, depending somewhat upon the degree of advancement of the required courses and their prerequisites.

These majors are planned to concentrate the effort of the student upon some subject, some idea or influence, just as a departmental major does; but, whereas the concentration in a departmental major is within the department, the focus of interdepartmental majors is rather upon relationships cutting across departmental boundaries. It is intended that these interdepartmental majors shall afford greater flexibility for the programs of students whose interest is not confined within the regular departmental lines.

The student electing one of these majors is to choose an adviser with the approval of the Dean. She will plan her course in consultation with her adviser and the program must be approved by the departments concerned,—that is, the departments represented in the list of required courses. In addition there will be a faculty chairman for each major, who will have general supervision over it, will consult with the advisers and department heads, and assist in making the student's course an integrated whole.

Students interested in electing one of these majors will find details of the requirements in the Dean's office and posted upon the bulletin board in Fletcher Hall. They will need to consult the Dean as to their choice of an adviser.

FACULTY AND STAFF

Sweet Briar welcomes back Miss Caroline L. Sparrow, who has been absent on leave for two years. Miss Sparrow has been a member of the History Department since 1907, when she came to Sweet Briar as a young instructor. She was the head of the department until 1932, when she relinquished the headship in order to lighten her schedule. She has been very keenly missed, both in social and academic matters, and it is with particular pleasure that we greet her as she returns.

Miss Florence Robinson, of the Art Department, returns this fall after one semester's absence during which time she studied and worked in the museums in New York City, visited many of the large colleges and universities in the east and far west, and spent a summer of study in California.

Miss Johanne Stochholm is absent on sabbatical leave for the first semester. After a visit to St. Andrews University in Scotland, Miss Stochholm spent the summer in Denmark with her family, and goes soon to Scotland and England where she will work on an edition of one of the 17th century dramatists. Miss Dorothy MacKinnon has been added to the staff of the English Department for next year, to assist in Miss Stochholm's absence and to aid in the further development of speech clinic work under Mr. King's direction. Miss MacKinnon comes to Sweet Briar after nine years of teaching, including one year at the New Jersey College for Women. She holds her A.B. degree from Smith College and her Master's degree from Columbia University.

Miss Ethel Ramage has been granted a second year's leave from Sweet Briar to continue her studies toward the doctorate at the University of Wisconsin, and Miss Sarah Thorpe Ramage will continue as an Instructor in English for the coming session.

Miss Mary J. Pearl has also been granted sabbatical leave for the first semester, to finish the work toward the publication of her doctoral dissertation at the University of Michigan, and in her absence her brother, Mr. O. Merrill Pearl, will substitute in the Department of Greek and Latin. Mr. Pearl received his A.B. degree, with Phi Beta Kappa honors, from the University of Michigan, and has completed all of the course requirements for his doctorate at Michigan. He spent the year 1934-35 studying at the University de Rennes and at the University of Paris under the American Field Service Fellowship granted by the University of Michigan.

Mr. Perry Laukhuff has resigned as an Instructor in Government and in his place Dr. J. C. Develin has been secured. Dr. Develin graduated from Haverford College, has the Litt. B. and the D. Phil. from Oxford, and has diplomas from the University of Poitiers and the Centro de Estudios Historicos in Madrid. Dr. and Mrs. Develin have taken a house on Woodland Street in Lynchburg.

Miss Harpster resigned as an Instructor in Biology, and in her place Miss Lucile Rice comes. Miss Rice has her A.B. from the University of Kentucky, her M.A. from the University of Illinois, where she has also done additional work toward the doctorate, and has taught for fourteen years at various schools, colleges, and biological stations. She comes to Sweet Briar after a year at Lindenwood College in Missouri.

Upon the resignation of Miss Maria Boudreaux, Mr. Horace R. Austin was appointed as an Instructor in French and Italian. Mr. Austin holds the A.B. and A.M. degrees from the University of Missouri, has the M.A. from Harvard and is well on the way toward his doctor's degree from Harvard. Mr. Austin's teaching experience includes five years at the University of Missouri and three years as an instructor and tutor at Harvard.

An additional full-time person has been added to the staff of the Modern Language Department by the appointment of Miss Laura T. Buckham as an Instructor in French and Spanish. Miss Buckham is a graduate of the University of Vermont and of Radcliffe College, where she took her Master's degree with Phi Beta Kappa honors. She has done the greater part of the work toward her doctorate at Harvard, and studied this summer at the Middlebury School of Spanish. Her teaching experience was first at Northfield Seminary and then three years at Milwaukee-Downer College.

During the second semester of this session Mrs. Raymond and Miss Weaver will be on sabbatical leave. To substitute for Mrs. Raymond comes Miss Janet MacDonald, a graduate of Agnes Scott College, with her Master's degree from the University of Chicago, where she is working toward the doctorate. Miss MacDonald has taught at the Faulkner School in Chicago, and for three years has been an editorial assistant on the staff of the *Journal of Modern History*. To substitute for Miss Weaver, Miss Winifred A. McDougald has been appointed. Miss McDougald, an English woman, has received most of her training in England. She has a diploma from the Royal Academy of Music in London, is an associate and licentiate of Trinity College of Music, has studied with Matthay of the Matthay Pianoforte School in London, Felix Winstead, F.R.A.M., Sir John B. McEwen, and has studied organ with Stanley Marchant, Organist and Choirmaster of St. Paul's Cathedral, London. Miss McDougald has taught for the past nine years at the American College for Women, Istanbul, Turkey. She is coming to America in the early fall and will teach piano and two courses in appreciation during the second semester at Sweet Briar.

Miss Marjorie Smith has resigned as Assistant to the Librarian, and to succeed her Miss Virginia Gott, A.B. Sweet Briar in 1935, has been appointed. Miss Gott studied library work at the Geneseo Normal School, Geneseo, New York, during last year.

REGISTRATION

NEW STUDENTS

The matriculation of new students will take place on Tuesday, Wednesday and Thursday, September 15, 16 and 17. New students are advised to arrive on Monday, September 14. The program of the opening day begins at 9 a. m. Tuesday, September 15.

FORMER STUDENTS

All students who wish to change their schedules as made in May must reach the college not later than Thursday morning, September 17. Registration for classes will close at 12 noon Thursday, September 17, in order to allow time for the Committee on Registration to make necessary adjustments. After that time no changes may be made without the signed consent of the instructor and of the Dean. Attention is called to Faculty Rulings, II, 2, page 43 of the 1936-1937 Students' Handbook.

"A student who wishes to enter a class after the general registration must obtain permission signed by the Dean and the instructor, and present it to the Registrar. She will be enrolled in the class only when the Registrar's card is presented to the instructor."

Students must file return registration slips by 6 p. m. Thursday, September 17. A fee of five dollars will be charged each registration subsequent to that time.

All former students who wish to take achievement examinations should reach Sweet Briar by 9 a. m. Thursday, September 17. Applications for these examinations must be filed with the Registrar's office by September 1.

ALL STUDENTS

All students who wish to take the foreign language reading knowledge or elementary knowledge examinations in September should reach Sweet Briar by 9:00 a. m. Thursday, September 17, and register for the examinations in the Registrar's office. The examinations will be held Thursday, September 17 at 2:30 p. m.

The formal opening of the academic year is observed at Convocation on Thursday, September 17, at 7:30 p. m. All students are expected to attend.
